Parents,

Here are some helpful hints that might make you and your child's competition experience more enjoyable.

Level 9 – Sr. Elite will compete Friday Feb 12th

Level 1-8 – Will compete Saturday, Feb 13th

Parents will not be allowed in the line up area with their child. Each team may designate one person to remain in the line up area to assist with younger athletes.

Long hair for both boys and girls must be secured close to the head. This means if the hair is long enough to go up into a ponytail then it must be in a ponytail and if it can be put in a bun then it must be in a bun. For athletes in the lower levels in tumbling that are performing back rolls braids are acceptable.

The awards stand will be arranged so that parents can take pictures from the stands. Parents will not be allowed on the competition floor in order to take pictures.

There will be a \$1.00 per person gate fee. Children 6 and under will be FREE.

Remember to remove your child's shoes, warm up suit etc. prior to sending them to line up. We will not be responsible for lost or stolen articles.

Score sheets will be posted in the hall at the north entrance of the exhibit hall. A full concession stand will be available.

The official T-shirt will be available. Our desire is that you and your child have a wonderful experience. It is important that your child's experience

is both positive and productive. Most times the athlete is unaware of problems that arise during a competition such as delays or problems with scoring etc. They are just there to have a great time and most times they do! They tend to react and respond the way you react and respond to situations. Keep it positive. There is always a solution if the proper people are approached in a calm and positive manner. Remember to be the positive parent of your competitor. Not a positively competitive parent! We wish the best of luck to everyone and hope that your Winter Classic experience is a great one.
